

2022 GB1 SN:079 N79GB

An exceptional opportunity to own a 2022 Gamebird GB1, serial number 054—one of the most advanced two-seat aerobatic aircraft on the market today. With approximately 200± hours total time (subject to change as the aircraft is actively flown), this GB1 is clean, sleek, and meticulously maintained.

Finished in a striking custom factory paint scheme, this aircraft combines cutting-edge aesthetics with unmatched performance. Powered by the Lycoming AEIO-580-B1A engine and a MTV-14-B-C190-130 four-blade composite propeller, this GB1 delivers top-tier aerobatic performance—perfect for solo routines or sharing the adrenaline with a passenger.

Avionics

Equipped with the best avionics package available, including:

- **10.6" Garmin G3X Touch** (rear cockpit)
- **7" Garmin G3X Touch** (front cockpit)
- **Garmin GTR 225A VHF** (rear cockpit)
- **Secondary VHF**
- **Garmin GTX 345 Transponder** (rear cockpit) – ADS-B In/Out
- **Mechanical ASI and Altimeter** (both cockpits)
- **Accelerometer** (rear cockpit)

This aircraft is pre-wired for autopilot and servo mount locations.

Cockpit & Comfort

The cockpit features an ergonomically optimized layout, making management of all controls and switches intuitive and efficient. Comfort meets function with:

- **Ultraleather seat cushions and side panels**
- **Leather seats** – ideal for both aerobatics and long cross-country flights
- **Cockpit heater**
- **Hooker Harnesses** – double ratchet in the rear, single in the front
- **USB power plugs** in both cockpits
- **Dual Bose LEMO (panel-powered) headset jacks** (both cockpits)
- **Fire extinguisher** (rear cockpit)

Additional Features

- Smoke system
 - External power/jump start plug (Piper-style)
 - Jack pads for tire changes
 - ELT with remote switch (rear cockpit)
 - Dual wingtip sight gauges
 - Integrated GoPro-style camera mounts (both wingtips)
 - Taxi camera
 - Canopy cover
-

2022 GB1 SN:079 N79GB

This aircraft represents the pinnacle of two-seat aerobatic design—engineered for precision, performance, and comfort. Whether you're a seasoned competitor or a thrill-seeker wanting to share the ride, the GB1 delivers on all fronts.
