However, this data alone does not provide the basis for a determination regarding the airworthiness of an aircraft or the current aircraft configuration. For specific information, you may request a copy of the aircraft record at https://aircraft.faa.gov/e.gov/ND/</p>			

OTHER OWNER NAMES

None

TEMPORARY CERTIFICATES

Certificate Number	T232742	Issue Date	11/06/2023	Expiration Date	12/06/2023
--------------------	---------	------------	------------	-----------------	------------

FUEL MODIFICATIONS

None

DEREGISTERED AIRCRAFT

None

The duration of aircraft registration certificates has been extended up to 7 years. The Registry will be issuing revised certificates in batches based on the former expiration date. For verification purposes, even though the expiration date on the registration certificate may not match the expiration date in the FAA Aircraft Registration database, any registration certificate displaying an expiration date of January 31, 2023 or later is still valid. This applies to all foreign Civil Aviation Authorities or anyone else with a verification need.
