Information for Spec Sheet:

Bullet Points:

NO RESERVE

Sum of the parts is greater than the whole

You will not find a cheaper flyable aircraft project anywhere!

0 time engine, airframe, avionics.

Kit can be made operational with required fly off hours with involvement of AP on project.

Would make a great centerpiece for a restaurant, FBO, man cave or property entrance.

Description:

This immaculate project Sonex Legacy is being presented with a no reserve auction. The aircraft has been registered with the FAA but has never received an airworthiness certificate. The project could be completed and fly off program hours could be completed with the involvement of an A&P on the project.

An alternative use for this project could be parting out the build to sell off the parts, or use the engine to complete another project. This whole project can be purchased for a fraction of just the engine cost.

The airframe could be repurposed as a centerpiece for a FBO, restaurant, man cave, or a property entrance. Project aircraft shows in like new condition.

The project has been stored inside its whole life, and the engine has been preserved in mineral oil.
