 Speed brakes  
 XM weather and radio  
 Oxygen system

### Description:

The Columbia 400 is a true twenty-first-century airplane that melds a tough composite-construction airframe, one of Teledyne Continental's latest powerplants, and Garmin's sophisticated and user-friendly G1000 integrated avionics and autopilot system. The result is an airplane with excellent speed and high-altitude performance with a comfortable and well-appointed cabin that's loaded with features.
