Jimmy's World Lancair 360 has joined AirSpace Auctions! Bids start at one penny with no reserve. This well-built Lancair 360 is the most economical way to coast through the sky at more than 220 mph. Jimmy searched for the perfect 360 for 2 years, this one stood out, the builder spent 8,000 hours building it and stayed true to the Lancair build process. N8261E is an excellent candidate for a panel upgrade, making it any speed-loving aviator's dream craft. Bidding starts May 10, registration is simple, and Cockpit Concierge Agents are standing by to assist your research and bidding on this high-performance, cross-country aircraft..
