

Partially built Super Sport 7 firewall back kit available for sale in Charlotte NC. My mission and wants have changed, it's time for someone to pickup the project.

Delivered in December 2019 with almost all options available at that time. Standard quick build wing with rigging set at the factory. Horizontal tail and cockpit controls are the only work completed on the kit.

Included Options:

- Cabane V Gear
- Speedster Tail Kit
- Pre-fab Bracket kit
- Dual Brake Kit
- Adjustable Rudder Pedals
- Bubble doors - Clear
- Quick Build Wing
- Pre Rig Wings to Fuselage
- Bottom False Rib Kit
- Vortex Generators
- Wheel pant kit
- Parking Brake Kit
- Ruder tail light housing
- Cargo Bay Kit
- Dual Cabin Vent
- Dual pin Door Latch Kit
- T-3 Tailwheel Spring
- ABW 8" Tailwheel
- Brian Bush Door Handles

Note: Windscreen was damaged during transport from one storage site to another, but is included with the kit. One corner was broken off and is shown in the pictures.

Kit is complete, however the following items are **NOT** included in sale:

- Builder's toolkit
- Consumables such as adhesive, varnish, fabric, etc.
