- Texas Taildragger
- Equipped for banner towing

Description:

This 1971 Cessna 150L is no ordinary trainer - it's been upgraded with a 160 hp Bush conversion and Texas Taildragger kit for real backcountry fun. It's banner tow-ready, climbs strong, and flies light. With big power, tailwheel handling, and proven Cessna reliability, it's a tough little workhorse that outshines the average 150.
