

## For Sale: 1964 Cessna 150D – Oshkosh Winner | Beautifully Refreshed Classic

Own a piece of aviation history with this stunning 1964 Cessna 150D – a true head-turner and 2013 Oshkosh Winner. This aircraft combines timeless charm with thoughtful updates that make it one of the cleanest 150s you'll find on the market today.

### ➔ Specs & Highlights:

- Engine: 660 hours SMOH – smooth, strong, and ready to go
- Airframe: 11,985 TT – flown primarily as a powerline survey aircraft (gentle low-and-slow flying)
- Baffling: Brand new airforms baffling installed
- Paint: Gorgeous fresh paint – stands out on any ramp
- Interior: Beautifully restored with new headliner, new windows, and new tunnel cover
- Tires & Gear: 6.00x6 tires on mains, heavy-duty fork, gear recently re-shimmed and aligned
- Avionics: Garmin 296 GPS included – simple, effective, and reliable
- Valve Covers: New silicone gaskets – clean and leak-free
- Flaps: Classic Johnson bar flaps – direct, mechanical, and satisfying

This isn't just any 150 – it's a lovingly cared-for classic with real pedigree and modern updates that make it a joy to fly and a pleasure to own. Whether you're a student pilot, weekend warrior, or collector, this Cessna delivers.

You won't be disappointed.
