HITCHCOCK AVIATION LLC.

General Information: Hitchcock Aviation proudly offers this 1987 Christen Husky A-1 for sale. If you're looking for a Dynon glass panel-equipped, 180+ hp lightweight Husky A-1 with just 100 hours on new Superior Ly-Con ported and polished cylinders, this is your plane. It's a low-time aircraft with only 1,291 total hours, featuring AirFrames Alaska ABI T3 suspension tailwheel, 26" Bushwheels, and double-puck brakes, plus many additional upgrades. This Husky is perfect for backcountry flying, and it won't take all day to reach your destination. "The Christen Husky is a traveler, a trainer, or an adventurer and ready at a moment's notice." The fabric, paint, frame, engine, prop, and interior are all in great condition. Priced for a quick sale at \$125,000.
