

Custom built 3 br, 2.5 bath ranch with large open floor plan and office. MBR has large walk in closet and walk-in shower. Kitchen features top-of-the-line appliances and large center island, coffee bar and plenty of storage. Large screened in porch is accessed from the kitchen or hangar and a covered BBQ patio is attached to the covered patio with quick-connect gas line so there is no worry about propane tanks running dry.

This house was built in 2020 and features 2x6 exterior walls with spray foam insulation, DiamondKote exterior and a metal roof. A wood-burning stove fireplace provides efficient warmth, and the HVAC heat pump and Anderson windows make this a very energy efficient home. LPG fuels the five-burner kitchen stove and the BBQ grill. The 40x50 hangar is continuous with the 2-car garage and features a Schweiss bi-fold hangar door with remote control access. The total square footage of living space is just under 2000 sq/ft.

Discovery Bay at Norwalk Landing is a gated, covenant community that boasts a 2200', paved runway, two, 20 slip covered docks, private water and sewer, and easy access to grocery, hardware, fuel, pharmacy and restaurants in Shell Knob, MO. Situated in a quieter part of Table Rock Lake, Discovery Bay enjoys crystal clear water, scenic mountain views, hiking, fishing and quiet.
