

Hitchcock Aviation LLC

161 Joslin Way

Twin Falls, ID 83301

Airport: KTWF (Twin Falls, ID)

HITCHCOCK AVIATION LLC.

General Information: Hitchcock Aviation is introducing a Vans RV-4 for sale. This low-time aircraft has only 893 hours on the airframe, 473 hours on the engine (SFRM), and 473 hours on the propeller (PTSN). The RV-4 offers a unique flying experience with its impressive all-around capabilities. The aircraft's excellent control balance, harmony, and visibility make it fast, agile, and fun. The tandem seating takes advantage of lower drag, superior visibility, and an overall “fighter-like” sporty flying experience. Only a few aircraft designs have achieved the fabulous goal of high-speed cruise and stable, slow-speed flight. This RV-4 is turnkey ready with a fresh annual condition inspection. Priced competitively at \$69,000.
