**Description:**

A lightweight, all-metal, two-seat aircraft built for pilots who want both performance and practicality. With side-by-side seating and tricycle gear, it offers stable handling and everyday usability, while still delivering strong aerobatic capability. Powered by a Lycoming IO-360 (200 hp), it cruises efficiently in the 160–180 knot range, making it equally at home on cross-country trips or weekend fun flying.
