

Beechcraft S35 Bonanza – Ownership with just 15% Down & \$698/mo.

BASED UPON A PURCHASE PRICE OF \$89,500 – CALL FOR INFORMATION 702-801-0966

The Beechcraft S35 Bonanza represents one of the most iconic and rewarding ownership experiences in general aviation. Blending performance, efficiency, and unmistakable ramp presence, this aircraft delivers both capability and pride of ownership.

Prop & Power Presence: The forward profile highlights the upgraded 3-blade prop and IO-520 performance—delivering both capability and commanding ramp appeal.

Iconic V-Tail Design: The legendary Beechcraft V-tail defines this aircraft—an unmistakable symbol of performance and efficiency.

Ramp Presence That Stands Out: Clean lines and confident stance create immediate presence—an airplane that reflects pride of ownership.

The Pilot's Perspective: From the wing forward, this is where the mission begins—freedom, control, and capability.

Fuselage Detail & Craftsmanship: Up close, the Bonanza reveals its build quality—clean lines and enduring design.

The Legendary V-Tail – Pure Identity: Few silhouettes are as recognizable—this is heritage, performance, and identity in one design.

New recently installed (4/2026) Interior completes a comprehensive restoration of this Iconic virtually ageless airplane.

While not yet installed, this is the proposed upgrade to N1985C that will complete the full restoration process. This optional enhancement will include a panel redesign to include a rebuilt and certified Garmin 430 a Garmin GTX 327 Transponder along with the panel mounted iPad to use most anyway you prefer (orientation device included)

New interior makes this V-Tail Bonanza look and feel like a brand new airplane. Well laid out panel design with upgraded avionics option will finish the restoration of N1985C to her former self, right off the Beech assembly line.

POPULAR S35 - IO-520 285HP - NEW INTERIOR & PANEL UPGRADE - 6 SEAT OPTION*

and Almost New 3-Blade Prop! This classic 1965 Beechcraft S35 V-Tail Bonanza presents exceptionally well, with excellent paint, good glass, and Brand New Interior. (general S-35 specs not necessarily applicable to this particular airplane)
Cruise Speed: 165-170 KTAS @ 75% power
Range: up to 750 NM depending on power setting
Fuel Capacity: 74 gallons usable
Climb Rate: 1,120 FPM
Service Ceiling: 17,500 ft

Takeoff Distance (ground roll): ~1,000 ft
Landing Distance (ground roll): ~900 ft

The S35 is widely regarded as one of the best-handling Bonanzas ever built, with smooth control harmony, Beechcraft build quality, and efficient cross-country performance.

This is a clean, well-presented S35 Bonanza with strong bones, excellent exterior cosmetics, and a solid engine/prop combination. Equipped with a modern digital AV-30 & Garmin 430 GPS/Nav-Com and ready for immediate flying, it also serves as an ideal platform for avionics upgrades. Great value for a V-Tail in this condition.

*Note on 6 seat option: It is our understanding for the S35, Beechcraft introduced a longer cabin specifically to allow for optional 5th and 6th seats. These were commonly called "Family Seats" situated in the aft baggage area and facing forward. These were designed primarily for Children, Small Adults and Occasional use. These were not equivalent to the full six-seat cabin found in the A-36 Bonanza.

If the airplane originally had 4 seats, a mechanic can add the rear seats using:

- approved Beech kit
- STC seat installation
- additional seat belts
- revised weight & balance

Sometimes the STC is simply the approval for installing additional lap belts and seat brackets. This information comes from a number of sources and should be verified to buyer's own satisfaction. Seller assumes no responsibility in this regard.
