

CHAMPION AIRCRAFT CITABRIA 7EAC – FOR SALE - N602Z

JULY 2025

Page 1 of 2

For Sale

Citabria 1965 7ECA 150hp

With its larger engine and ease of flying, this aircraft is perfect for tailwheel enthusiasts, offering both reliability and enhanced performance. Ideal for recreational flying and training, it combines classic charm with modern upgrades, making it an exceptional choice for both new and experienced pilots.

Hangered outside Springfield, MO at 41MO (Sawyer Creek)
Has flown 93 hours since purchased November 2024. Lots of local fun trips but also made the trip to Sun-n-Fun 2025.

Selling because we want a side-by-side seating arrangement for cross country flying.
