

Hitchcock Aviation LLC

161 Joslin Way

Twin Falls, ID 83301

Airport: KTWF (Twin Falls, ID)

HITCHCOCK AVIATION LLC.

Hitchcock Aviation is offering a stunning Van's RV-8 for sale. This aircraft has only 101 hours on the airframe, 101 hours on the IO-360 engine, and zero hours on the Whirlwind HRT propeller, equipped with a Garmin G3X panel. The Van's RV-8 is a renowned two-seat, tandem low-wing plane celebrated for its "total performance" design, merging high-speed cross-country travel, aerobatics, and short-field capabilities. It has a bubble canopy for excellent visibility and is powered by a 190 HP engine, achieving speeds over 200 mph. This RV-8 is ready to fly, with a recent annual conditional inspection. Priced competitively at \$175,000
