Exterior:

The aircraft retains its original paint, with Vestal White as the base color, accented by Seal Gray and Flag Red. The paint, body, and skins are in great condition.

Interior:

The interior is exceptionally clean and in good condition. In 2021, new gray leather seats, an Airtex headliner, and Monaco Gray carpeting were installed. The side panels are coordinated in Gray and White, with a wood-grain accent inlay. The front seats are equipped with the BAS shoulder harness system, and the rear seats have factory shoulder harnesses. Soundproofing panels have been added, along with a center console organizer.
