

2025 Vashon Aircraft R-7 Ranger LSA
FOR SALE by TomahawkAero.com, Phone: (702) 219-9290

Beauty, function, and adventure come together in this 2025 Vashon Aircraft R-7 Ranger Cascade, N382VR, a nearly new Special Light-Sport Aircraft based at North Las Vegas Airport. With only 92 hours since new on the airframe, Catto Prop, and Continental O-200-D engine, this Ranger is fresh, clean, and ready for its next owner to start flying now. Equipped with the lively Sunset Exterior Package, a full Dynon SkyView HDX glass panel, synthetic vision, Dynon 2-axis autopilot, and Garmin GTN 650Xi WAAS navigator, this R-7 offers a modern cockpit in a rugged, easy-to-fly LSA. Enjoy the 117 KCAS cruise speed, 501 NM of range, 833 FPM climb rate, and a 12,000-foot estimated service ceiling. With its LSA 1,320 lb gross weight, 904 lb empty weight, and 416 lb useful load, the Ranger is built for weekend getaways, desert flying, local sightseeing, cross-country hops, and pure stick-and-rudder fun. Powered by the reliable Continental O-200-D 100 HP engine, this aircraft is economical to operate, simple to manage, and adventure-ready for pilots who want modern avionics, great visibility, low operating costs, and the freedom of light-sport flying. For more information, call/text Jeffrey Lustick at TomahawkAero.com, at (702) 219-9290.

Year, Manufacturer, Model: 2025 Vashon Aircraft R-7 Ranger
