2024 HUMMEL H5 EXPERIMENTAL AWARD-WINNING BUILDER 85 HP HUMMEL 2400CC – 21 HOURS TTSN

N51EF | C.E. Page Airport (KRCE) | Oklahoma City, OK

Beautifully crafted Hummel H5 Experimental / Amateur-Built aircraft, assembled by an award-winning builder, with only 21 hours total time since new on airframe, engine and prop. This exceptionally clean, thoughtfully equipped aircraft features a 2024 Scott Casler Hummel 2400cc engine, upgraded avionics, premium paint, and complete documentation.

Finished in a standout Honeysuckle / Snow White / Black stripe scheme, this Hummel H5 offers outstanding craftsmanship, low time, and a turnkey flying experience for the next owner.
