

1946 FUNK MODEL B85C

Beautiful low-time classic taildragger. This 1946 Funk has been very well cared for and is in excellent condition. An extensive refurbishment was conducted in 2001 and it has been hangared ever since.

Other notable upgrades were performed in 2023 (see Notes).

The paint and interior are in very good condition, and the low-time Continental C-85 runs strong. This aircraft has a full electrical system, including electric start, VHF radios and ADS-B in and out. This is a great airplane for the buyer looking for a classic airplane to fly on nice summer evenings.
