Description:

Exceptional 1977 Cessna 421C that has been thoughtfully upgraded for serious cross-country and IFR flying. Featuring a premium Garmin glass panel, factory remanufactured Continental engines, certified FIKI capability, and numerous performance-enhancing upgrades, this aircraft offers an outstanding combination of capability, reliability, and comfort. With excellent paint, a well-kept leather interior, and a highly desirable avionics suite, this 421C stands out as a turnkey example of Cessna's flagship piston twin.
