

2007 Van's RV-6A – Original Builder • Exceptional History Ready to Fly

This beautiful 2007 Van's RV-6A is being offered for sale by its original builder and only owner, who has simply decided it is time to pass this exceptional airplane on to its next caretaker. Built as a Van's Quick Build, this RV-6A has been meticulously maintained, is structurally sound, and reflects the pride of ownership found in a one-owner aircraft.

Over the years, this RV-6A has introduced many Young Eagles to aviation, providing countless first flights and creating memories that will last a lifetime. It is a well-proven, honest flying airplane with complete logbooks from day one.

Features and Equipment

- Just under 800 hours total time
- Van's Quick Build
- Original builder and only owner, Complete logbooks since new
