A Modern; Proven Performer.

This 2008 American Champion 8KCAB Super Decathlon has just 1,125 total hours since new, tasteful upgrades, and a proven history as an exceptional performer. Finished in the iconic red, white, and blue Starburst paint scheme, it is equipped with a 5-gallon smoke system that creates an impressive presence both on the ramp and in the air. Actively flown, professionally maintained, and meticulously cared for, this Super Decathlon is a true turnkey aircraft ready to be enjoyed by its next owner.
