hello@airspaceauctions.com

If you are looking for a fast, meticulously cared-for cross-country machine, your search stops here. This Mooney M20E+ has been always hangared, features **excellent paint** (9/10 condition), and has absolutely **no corrosion**. You simply cannot find a better, cleaner plane on the market right now.

Power & Performance

At the heart of this Mooney is a 200 HP Lycoming IO-360-A1A with **only 110 hours on the motor** since a major overhaul at Bismarck Aero Center. The Hartzell constant speed prop also sits at just 110 hours. With a 163-knot cruise speed, a 900-nautical-mile range, and an incredibly efficient 9.5 GPH fuel burn at 65% power, it is built to go fast and far.
