Description:

A very clean, low-time 2021 AirCam built by Island Time and equipped with Calmar 2180 amphibious floats. Powered by dual 100 HP Rotax 912 ULS engines with just 127 hours, this AirCam features a well-equipped Garmin avionics suite and is ready for VFR flying. Complete logbooks, no known flaws or corrosion, and a 10/10 exterior and interior make this a particularly well-kept example.
