The Aircraft

A well-kept, single-pilot CJ1 on an engine program, with a fresh Doc 10 and complete logs — ready to fly on delivery.

Powered by Williams FJ44 engines enrolled on TAP Advantage Blue, this 525 pairs the operating economics of a light jet with a Collins Pro Line 21 flight deck, RVSM and ADS-B compliance, and a six-place cabin with a belted flushing lav. Part 135 compliant, no known damage history, hangared in South Florida.
