HITCHCOCK AVIATION LLC.

Hitchcock Aviation is excited to offer this beautiful, fresh-engine Glasair SH-III for sale. If you're looking for a blazing-fast, well-built, and professionally maintained aircraft with a fresh 19-hour high-performance engine featuring LyCon-machined and balanced components, you will cruise at 220+ KTAS while burning only 13 gph. Upgrades include a carbon-fiber-wrapped panel with a modern avionics package, freshly updated carpet, leather seats, and custom side pouches. The Glasair III is the ideal long-distance, fast personal aircraft. These aircraft are not only extremely strong but also fly better than almost any other experimental aircraft. They are renowned for their handling characteristics and performance. This aircraft is perfect for your fun, exciting mission. Competitively priced for a fast sale at \$165,000 OBO.
