2010 Van's RV-12 N82JA

Unlock a rare "time capsule" opportunity with a practically brand-new, ultra-low-time cross-country machine for a fraction of the cost of building. This 2010 Van's RV-12 represents the ultimate garage-find prize, boasting a remarkably low 148.8 hours total time since new. While it has flown sparingly over the years, it has been meticulously preserved in a climate-controlled hangar and has just emerged from a recent, highly extensive Condition Inspection with 100% of Service Bulletins fully complied with. Dynon Dynon FlightDEX-D180 - Combined EFIS & EMS, Dynon AP74 Autopilot, Garmin 495 GPS Map, Garmin GDL 82 - ADS-B Out, Garmin SL 40 Comm, Garmin GTX 327 Transponder. Recent Extensive Conditional Inspection. All Service Bulletins completed. Always hangared. No damage history. Complete Logs
