1966 CESSNA 310K

BEAUTIFUL AIRCRAFT • $95,000

A beautiful, exceptionally well-maintained Cessna 310K with excellent paint, leather interior, and outstanding overall appearance. This is a very nice example of the 310K model, featuring Continental IO-470 engines, McCauley three-blade propellers, and an impressive list of upgrades.

The aircraft is hangared, corrosion-free, and has no damage history. Recent annual inspection completed August 2026.

COMPLETE DOCUMENTATION

One of the aircraft's strongest attributes is its documentation. All original aircraft logbooks are included, dating back to new, with no damage history. A complete electronic set of logbooks is also included.

Additionally, I have compiled an extensive electronic library of maintenance manuals, including autopilot documentation, avionics operating manuals, and aircraft systems manuals. These are included with the aircraft and available for convenient reference on an iPad.

OVERALL CONDITION

This is a particularly attractive and solid Cessna 310K. The aircraft presents beautifully, has excellent cosmetics, and flies great.

A very nice opportunity for someone looking for a well-equipped, well-documented, and exceptionally attractive 310K.
